## MEDICINAL

**NO MAN IS STRONGER THAN HIS STOMACH**

When Sandow poses and the muscles ridge his back and knot his arms, we think we have before us the very secret of strength in those magnificent muscles. But we haven't. Starve Sandow, or what is practically the same thing, let him be dyspeptic, and his muscles would soon fall. Strength is made from food properly digested and assimilated, and no man is stronger than his stomach, because when the stomach is diseased digestion and assimilation are imperfect.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of food so that the body is nourished into perfect health and strength. "I had what my physician called indigestion. He gave me medicine for the trouble but it did me no good," writes Mr. W. H. Wells, of Willard, N. C. "I wrote to Dr. Pierce and stated my case. He sent me a descriptive list and hygienic rules. I carried out these as best I could, bought six bottles of his Golden Medical Discovery, and commenced taking it. A few days later I noticed a great change. I felt like a new man. Before I began the use of the Golden Medical Discovery I suffered greatly with pain in stomach, my nerves seemed all run-down, I was very thin in flesh, but now can eat heartily and sleep good at night."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send twenty-one one-cent stamps for the paper-covered book, or thirty-one stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

PRINCE WILLIAM'S HORSES.—A letter from Manassas to the Baltimore News says:

The cavalry spirit which was so superbly exhibited on this famous fighting ground 40 years ago still abides in the country about Manassas. The people hereabouts continue to have an affection for the horse, which finds expression in horse shows, race meetings and fox hunts.

The Prince William Horseman's Association, organized in 1896, with the representative men of Virginia behind it, was the first chartered horse show in Virginia. The grounds, from a natural point of view, are the most beautiful in the State. The grandstand is modeled on the plan of Madison-Square Garden, and is equipped with natural shelters and the grounds with a beautiful track. Manassas followed the lead of Upper-ville, and was the first town in the South to legally organize a horse show. It secured a charter from the legislature in 1897 and drew a crowd of 5000 at its first exhibition, which last year it increased to 9000. Its grounds are situated in one of the most picturesque regions of Virginia.

Mr. Alvin O. Portner, who is the representative horseman in the community, has expended a great deal of money on stables and other avenues promotive of the horse. In the suburbs of the town is a magnificent stable, where a fine lot of stock finds its abode. The most interesting stable in this section, from a trading standpoint, is that of Mr. E. H. Goodwin, the pioneer and expert introducer of the well-bred horse in this region of Virginia. Mr. Goodwin has imported the noted sire Sun Up, by Buchanan, dam Sunlight, by Imp. London, whose impression is now apparent upon the hunting stock of Virginia.

CANNOT STOP SNEEZING.—One of the strangest cases that have come within the knowledge of the hospital attendants in Boston is now under treatment at the Emergency Hospital in that city. It is quite common to have a case of uncontrollable hiccoughs, but so far as known it is very rare to have one of sneezing, but such is the case with James Brown, 35 years old, of 505 East Sixth street, South Boston. Brown is employed at the Standard Sugar Refinery, on Granite street. About noon Sunday he was attacked with sneezing. He could not break the spell, and at last, about 2 o'clock, he went to the Emergency Hospital for relief. The usual remedies were applied, but without effect. Then morphine was administered, but the instant he came out from under its influence the sneezing was resumed with unabated violence. Then he was placed under the effects of ether, but when the influence of this anesthetic wore off his condition was the same. Late Sunday night the effects of plagues in a cold bath were tried, and about midnight, after two or three trials of this treatment, the patient appeared to get quite relief, the sneezing being not quite so frequent, but he is still in a bad way.

SHOWED PRETTY FEET AT BALL IN CAIRO.—Lady Constance Mackenzie, who is well-known in America, which she visited last year, caused a sensation recently by appearing at a masked ball in the Gezira Palace at Cairo, Egypt, as an Egyptian syc. The costume was more beautiful than voluminous. Lady Constance, who is blessed with exquisite feet, had no scruples in exhibiting them without covering. She was attended by Miss Bainbridge, in the costume of a dragoman. Lady Constance Mackenzie is a sister of the Countess of Cromartie, and heirss presumptive to that earldom. She was in America for three months at the beginning of last year and kept Florida society alive with stories of her energy in outdoor sports. She is a great swimmer, having carried off the ladies' challenge shield at London swimming bath contests. Her favorite swimming costume is bright green, with tartan trimmings, in honor of her Scottish connections. She was a guest at Aiken of Mr. William C. Whitney and took part in all the outdoor life of the place, attending the polo games, riding astride and never seen with a hat. In the last run of the season with the Hitchcock hounds Lady Constance had a bad fall, but was able to return home.

SHOT BY A MINER.—Henry Fraley, a farm hand with a wife and ten children, is lying mortally wounded at his home at Catocina Furnace, near Frederick, Md., from a pistol shot fired by Roy Freshman, a twenty-year-old miner. The shooting, which occurred Sunday night, was the result of a fight between Fraley's daughter and Freshman's sister. The two girls were returning from church with a party of people living in the neighborhood when they became involved in a quarrel, and they were attacking each other with their fists when Fraley arrived on the scene, and picking up a piece of fence rail, struck the Freshman girl a blow on the head. When

## MEASLES

Mothers, it is your fault if your children grow up and have weak lungs. By neglecting your children when they are sick with the measles or a heavy cold, their lungs will become weak, which is the first step to consumption. The number of consumptives is increasing every year in this country. Don't let your children be among these unfortunate ones.

Measles attack every child, and besides the little red eruptions appearing on the body, there are certain catarrhal conditions always accompanying the disease—running nose and eyes, fevers and a distressing,

## RACKING COUGH.

These conditions if neglected develop pneumonia and other lung troubles, and will terminate fatally, unless Dr. Bull's Cough Syrup is given in the very first stages. No better remedy for the measles can be found than

## Dr. Bull's Cough Syrup

This wonderful prescription of the famous Dr. Bull always cures. It has been a treasured household remedy for more than fifty years and has saved the lives of thousands of children. Doctors prescribe this old reliable remedy for all secondary symptoms of measles because it gives immediate relief, and thus saves the parents many hours of worry. Dr. Bull's Cough Syrup is pleasant to the taste, and

## Children Love to Take It.

"I can truly recommend Dr. Bull's Cough Syrup as the best remedy I have ever used in my family. The children all had the measles and it cured them and the troublesome cough in a short time. I have used many kinds of medicines but Dr. Bull's Cough Syrup is the best." Mrs. P. A. Dillman, Evans City, Penna.

"I used Dr. Bull's Cough Syrup with good results for measles-cough. My family is just getting over the measles, for which I used Dr. Bull's Cough Syrup and it cured them. It is without doubt the best remedy on the market today and I always keep a bottle on hand." Mrs. A. A. Shelton, Inez P. O., Louisiana, La.

## TRY NO SUBSTITUTE.

It is dangerous to experiment with the life of your child. Do not take the dealers' substitute; it is generally worthless. Insist on having Dr. Bull's Cough Syrup the most reliable remedy made. It is endorsed by physicians, is perfectly safe and harmless and never fails to cure. The genuine package has our trade-mark, a Bull's Head. At all Druggists, 25c., 50c. and \$1.00. Manufactured only by A. C. MEYER & CO., Baltimore, Md.

THE CLEAN BAKERY is in the long run the best bakery from which will emanate the BEST BREAD, for the baker who has no thought or cleanliness is indifferent as to the quality of his handiwork. Purity of materials and cleanliness in handling mark our entire output. Our bread is absolutely pure.

## ALEXANDRIA STEAM BAKERY.

young Freshman, who was in the crowd, remonstrated with Fraley, the latter, it is alleged, threatened to strike Freshman with his club, whereupon the boy pulled out a pistol and fired a shot, which, passing through Fraley's arm, entered his body near the left breast, penetrating the lung. The wound has caused internal hemorrhage and the doctors say that Fraley cannot live. Freshman was arrested early yesterday morning and brought to Frederick, where he was lodged in jail.

## A NEW REMEDY.

The old friends of Chamberlain's Cough Remedy will be pleased to know that the manufacturers of that preparation have gotten out a new remedy called Chamberlain's Stomach and Liver Tablets, and that it is meeting with much success in the treatment of constipation, biliousness, sick headache, impaired digestion and like disorders. These Tablets are easier to take and more pleasant in effect than pills, then they not only move the bowels, but improve the appetite and correct any disorders of the stomach and liver. For sale by Richard Gibbons, druggist.

There is one rational way to treat nasal catarrh: the only one applied direct to the affected membrane. The remedy is Ely's Cream Balm. It restores the inflamed tissues to a healthy state without drying all the life out of them and it gives back the lost sense of taste and smell. The sufferer who is tired of vain experiments should use Cream Balm. Druggists sell it for 50c. Ely Brothers, 56 Warren street, New York, will mail it.

A household necessity.—Dr. Thomas' Electric Oil. Heals burns, cuts, wounds of any sort; cures sore throat, croup, catarrh, asthma; never fails.

## What's In a Name?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago, discovered, some years ago, how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises, and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. E. S. Leadbeater & Son.

**ALL GOOD THINGS** must win upon their merits. The International Dictionary has won a greater distinction upon its merits and is in more general use than any other work of its kind in the English language.

A. H. Sayce, LL.D., D.D., of Oxford University, England, has recently said of it: It is indeed a marvelous work; it is difficult to conceive of a dictionary more exhaustive and complete. Everything is in it—not only what we might expect to find in such a work, but also what few of us would ever have thought of looking for. A supplement to the new edition has brought it fully up to date. I have been looking through the latter with a feeling of astonishment at its completeness, and the amount of labor that has been put into it.
